Mr. John Turnbull,
Ironton, Ohio

Dear Sir:

We are no longer publishing the "American Journal of Numismatics." We, however, issue monographs on special subjects, chiefly ancient coins. If, however you are looking for a coin magazine, we would advise you to join the American Numismatic Association and thereby receive their monthlymagazine, "The Numismatist." I am herewith enclosing an application blank for this organization.

The dues of our Society are $5.00 a year. If I knew better what your interests are, I could then advise you better whether it would be worth your while to join our organization.

Very truly yours,

Curator
